Dear Auto Racing Enthusiast,

In 1998, NEAR founded the New England Auto Racing Hall of Fame. Since then, NEAR has inducted over 190 racers who were the pioneers of auto racing in New England.

The 21st Annual New England Auto Racing Hall of Fame will enshrine eight more inductees on November 12, 2017. The new inductees are as follows: Tom Dunn, Gardner Leavitt, Rick Fuller, Bobby Gahan, Ben Dodge, Jr., Jeff Fuller, Russ Wood and three Veterans to be announced. These racers have given New England fans many years of enjoyment and have been role models for the auto racing industry.

We must continue to honor the best in our sport to be sure that their accomplishments are never forgotten.

If you would like to help maintain the Hall of Fame, you can place an advertisement in the program for the 2017 Induction Ceremony.

If you can see your way clear to support a full page ad is \$100.00; a half page is \$65.00. Please reply with a check and a copy of your ad before October 1, 2017.

If these prices do not fit your budget, perhaps you could still make a supporting donation (any size) to help maintain the Hall Of Fame.

We thank you very much for your consideration and contributions to the history of auto racing.

Thanks,

Val LeSieur
NEAR HOF Booklet Chairman
